

EPA Region 5/Wisconsin DNR Discussion of Storm Water Issues
3:00 – 4:00 p.m. Weds., September 6, 2017

Agenda

1. Rule-making to address issues 23, 24, 25, 26, and 52 in ch. NR 216, Wis. Adm. Code.
2. Existing legal authority under s. [NR 205.07\(L\)](#) to address issues 53, 56, 57, and part of 67 (MS4 storm water management program evaluation); add clarifying notes to the appropriate sections of ch. [NR 216](#) (See attachment *Proposed NR 216 notes.pdf*).
3. Existing legal authority to address part of issue 67 (records available to the public) (See attachment *Storm water records.pdf*).
4. Add a clarifying note to the definition of illicit discharge under s. NR 216.002(11) (See attachment *Proposed NR 216 notes.pdf*).
5. For the separate issues outside the original EPA 2011 WPDES program review letter:
 - Include any e-reporting rule and MS4 remand rule needs in the ch. NR 216 scope statement.
 - Federal ELGs in WPDES permits: Existing legal authority under s. [283.31](#), Wis. Stats., and ch. [NR 220](#), Wis. Adm. Code.
6. Next step?
